**Case No.: 7:22-cv-06394-PMH**  
Letter Motion for Extension of Time to File All Plaintiff's Motion  
Papers Electronically

Dear Honorable Judge Halpern:

I represent plaintiff, Melinda L. Johnson, in this ERISA benefits dispute. I write pursuant to Section 1.C of your Honor's Individual Practices in Civil Cases, to request an Extension of Time until June 19<sup>th</sup> to File all Plaintiff's Motion Papers Electronically. This is plaintiff's second request for an extension of this deadline.

Good cause exists to grant this request.

I have been trying to file these documents for three days. The help desk has been somewhat helpful but I keep running into filing problems with regard to size of documents and attaching Exhibits to something.

Due to stress, which negatively affected my underlying prostate condition and its sequela I was in Urgent care at Garnet Hospital In Middletown, NY until 10:00 pm Saturday.

The Notice of Motion and Affidavit was filed 6/16/2023 filed but I was unable to upload the Exhibits until this morning. Everything is now filed.

Opposing counsel consents to this Extension.

I apologize for this inconvenience.

Thank you for your valuable time and kind consideration.

Sincerely yours,

*Mark Lewis Schulman*
